**Quarter Midget Racing Association**

December 1 - December 5, 2010

Welcome to the 2010 Silver State Winter Nationals

I would like to take this opportunity to welcome everyone that is joining us for the 15<sup>th</sup> annual Silver State Winter Nationals presented by Good Times QMRA. This is a wonderful event filled with lots of great racing and fun for the entire family.

The host hotel Buffalo Bills offers a great rate for all participants. Please make sure to use our group code. Please contact the hotel at 1-800 FUN STOP and use offer code SCQ1201. There is a huge arcade located within the hotel for the kids to enjoy as well as many different restaurants with various menus. For all the adults there is a full floor of gaming from Blackjack to slot machines, a usual hangout for the handlers to catch up about the past months of racing. Next door to the facility is an outlet shopping mall full of specials for the upcoming holiday season as well as a food court. The other two casinos located adjacent to Buffalo Bills also have some great restaurants.

Our format remains the same as last year. The lineups for heat races will be determined by a pill draw and to help our young racers adapt to the race track itself, we will have two 3 minute rounds of practice. For more information and registration packet, please visit our website at [www.goodtimesqm.com](http://www.goodtimesqm.com). We wish all of you the best of luck and thank you for attending.

Let the Good Times roll.  
Gregg Boe
