Welcome to the 2018 Silver State Winter Nationals!!

We would like to take the opportunity to welcome all quarter midget racing families and friends to the 24th anniversary of the Silver State Winter Nationals hosted by Good Times QMRA. This is a wonderful event filled with lots of great racing and fun for the entire family.

Our format remains the same as last year. The lineup for the heat race is determined by a pill draw and to help our young racers adapt to the race track, we will have two 3-minute rounds of practice. The finish of the heat race will seed you into a main event.

Please visit our Facebook page—Silver State Winter Nationals for updates and more information. We wish all of you the best of luck and thank you for attending.

Good Times are memories for a lifetime.
