SIGN-IN

All cars need to be pre-registered to avoid Late Entry Fee

All cars must pass safety before completing sign in process

All cars must be signed in to practice

All cars must be sign in and pass safety by Tuesday, Nov 24 at 12:00 pm to pull a pill used to determine heats.

Sign in will close Tuesday, Nov 24 at 12:15 pm.

RACE FORMAT

Driver Radio Communication is required.

Practice- Maximum 7 cars, 3 minutes. 2 rounds time permitting

Time Limits- Subject to change

Heat Line Ups by pill draw.

All races will have a time limit to be determined on race day. (If AA & Half drivers do not complete heat race prior to time limit, the cars **will not** refuel. The race will conclude with the 80 lap fuel limit.) The race finish will be determined on the next yellow/red flag that is thrown after the time limit has expired. The tower will score the finish by the last line up after the yellow/red flag.

Novice is non-competitive. Race format will be the same as other classes. Hoosier tires are required for Novice.

Heats and Main Laps

All races will be run **HOT OUT OF THE CHUTE. (NO WARM UP LAPS). Corner workers cars 1 – 4 in corresponding corner.**

Heat Races will be 20 laps

Lower Mains will be 25 laps

Novice A Mains will be 25 laps

A Mains will be 30 laps Juniors/ 40 laps Seniors

Classes with one car will run green, white, checkered flag.

Transfers- See Line-up/Transfer Grids posted at the tower.

Judging No Judges. Race Director will make Flagrant calls. Flagrant Rough Driving will be a DQ. DOT to the back.

Tech

All engines will be sealed immediately after Heat race.

Handlers are responsible for their engine sealing by a track official.

Top three finishers in each class will be impounded after the Main Event.

All cars signed in are subject to tech.

Fuel/Tires

Mandatory fuel: Chevron midgrade purchased at
Chevron 4610 W Tropicana Ave. **Corner of Tropicana Ave and Cameron.**

No Fuel Containers over 5 gallons. 5# Fire Extinguishers Must be at ALL TRAILERS(NV fire marshal). Fuel and oil may be checked at Tech's discretion. AA's and Half's will have a 5 minute time limit to refuel during mains. All drivers not ready to race when time expires will be sent to the pits and will start at the back, if they return before the green flag.

Tire rule, as per the 2020 POWRi rulebook, will apply. Hoosier is the spec tire of POWRi for 2020.

All drivers that will participate in the A main will purchase a tire voucher, at a designated location, for the tires, that must be utilized during the A main event. Tires will be marked and/or branded across the racing surface of the tire to ensure no alteration of the tire for racing. Tires may be mounted at your trailer. When handler/driver comes to staging the brand must be on the tire and tires must still be in "virgin" condition. Tires not meeting the "virgin" criteria must be replaced with another set purchased at the designated location. Tires must remain untouched, no grinding, scotch brite, needling, sanding, etc... Cars will enter staging/track on unaltered "virgin" tires.

Awards

Heat race winners will receive an award.

1st -3rd place in Main events will receive a custom slot machine trophy.

1st place will receive a checkered flag.

All Novice will receive awards Pre-registered novice a slot machine.

Minimum 5 cars in a class PRE-REGISTERED for slot machine awards.

General

The Good Times Board of Directors reserves the right to change program/rules based upon unforeseen events or weather conditions.
